Dear Parents/Guardians/Students,

As PRSD's principals, teachers, and support staff continue to focus on the development and delivery of remote learning for student learning, PRSD is also reviewing and adjusting many traditional school events for May and June 2020.

As PRSD looks forward, it is becoming clear that all our high schools will have to defer their respective graduation ceremonies to a fall timeline and those ceremonies will need to be planned in accordance to the Chief Medical Officer's restrictions for public gatherings for September and/or October 2020.

PRSD and our high schools truly appreciate the importance of this special celebration and know that any change to this special day will be a disappointment to our graduating students, their families, and their friends.

On behalf of PRSD and our high schools, please be assured that our graduating students will not be forgotten.

PRSD, in consultation with our high school leaders, will continue our monitoring of the situation. We will make decision about rescheduling this year's graduation ceremonies to September or October 2020, no later than May 12, 2020.

Thank you for your patience and understanding throughout the past several weeks.

If you have any questions, please contact me.

Respectfully yours,

Mr. Terry M.J. Osiowy
Superintendent/CEO
